Union Meeting called of Engage & firemen
to vote on whether the strike shall
be declared off. Motion made
that Bro Elus ~~shall~~ be elected Chronm
Carried.

First in order was receiving reports of
Com. who had been to Chgo &
recd instruction to have a vote
taken by all the men whether
strike be declared off. Bro. Wood-
worth first made a statement as
to what the situation now is
the advice of P. Mr. Arthur -
his reasons why the strike
shd be declared off - also
the limited financial support
- also the men to seek employment
elsewhere and also the action
of the Genl Com. who were
unanimous in declaring that as
far as they were concerned
the strike never would be
declared off. That the
Com had ret'd to their

31

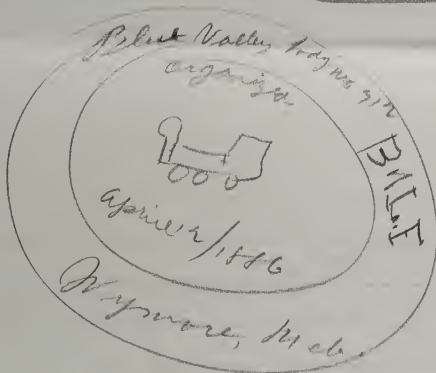

respecting Division and it
was to be decided by Yea &
Nay votes of the men
whether they wished to leave the
strike off or not.

After considerable discussion
by the brother Enges officers
on the question Rev. Woodworth
was chosen by the Chairman
to go around the room &
ask each bro to separately to vote
as the declaration of his own con-
science told him to vote.

The following names are
names of Enges officers
who voted no, there being
not one in the meeting
that voted to declare the
strike off. There were
a number of the bros. that
